Developing Positive Leaders

Students who participate in this community are dedicated to making a lasting, positive impact in their campus and local community. By participating in reflection exercises, skills development workshops, & service events, students will better understand the how to work as a member of a team, how to have meaningful dialogue in diverse communities, and they will gain connections for future leadership opportunities. Members of this community are able to obtain leadership positions on the Student Advisory Board and play a key role in the success of the HALL-oween and EGG-stravaganza service events for the Statesboro community in the fall and spring.
